PORT

Wiese & Krohn was founded in 1865 by two Norwegians - Theodor Wiese and Dankert Krohn - shipping initially to Scandinavia and Germany. In the century and a half since its foundation, Krohn has built up an outstanding reputation, much in due to their high quality vineyards and expert winemaking. SHERRY

In 1972 Fernando Andrada-Vanderwilde took over some old sherry cellars and brandy soleras. He decided to focus entirely on high-end, complex sherries, in the process upgrading the bodega to one of the most interesting and highly regarded of the small independent sherry houses in Jerez. They have become masters in the ageing of fine, unblended, untreated Sherries, producing some of the finest in Jerez.
