Advice

Great Grog has vast experience of wedding supply. We try to ask as many questions as possible, so that we can offer as bespoke a service as possible.

Range

We have a huge range of around 500 wines from the very humble to very fine, to fit any budget. Most importantly, we offer the best possible value whatever your budget. We also sell a range of over 400 beers & spirits.

Samples

You are welcome to come in for a chat and to try some wines in the warehouse or shop. We can also send some options to your home address if you prefer. We offer free samples to a value of 5% of any order placed. We also hold lots of tastings through the year (dependant on the current Covid regulations) that you would be welcome to attend free of charge.

Prices

Prices in the catalogue include a 10% wedding discount. If looking at our website, please deduct this, so a £10 Sauvignon on the web would be discounted to £9 for example. We can send a "suggested quantities" quote to help you see a guide to total costs if you would find that helpful. All prices include V.A.T.

Quantities

An average wedding party drinks roughly 3/4 of a bottle of still wine per head, of which 2/3 is white & 1/3 is red. So, for 100 people you would need roughly 50 bottles of white & 25 bottles of red.

PLUS

"**Reception**" sparkling wine of 2 glasses each & one more glass later for the **toast** = 1/2 a bottle per head = 50 bottles. Flutes for sparkling wine are smaller, hence are worked out at 6 glasses per bottle. Normal wine glasses work on 5 glasses per bottle.

Food vs. Wine

We love to advise on wine & food matching if you have your menu in mind.

We can offer unlimited sale or return (on any re-saleable bottles). We would like full payment before delivery please & will refund anything returned.

Delivery
