Description

Tasting notes

Colour: Pale yellow with fine and continuous bubbles and a perfect mousse.

Bouquet: Intense notes of fresh fruit (peach and citrus fruits), floral notes with hints of brioche and yeasts with a honey finish.

Palate: Fresh and fruity, balanced, fine and subtle mousse. A persistent cava, very pleasant and elegant.

Food recommendations

This is a cava that matches perfectly with aperitifs, fish and shellfish, white meats, sheep milk cheeses, pastas and rice dishes, charcuterie, salads and desserts, for example, strawberries. The carbonic is perfectly integrated and as a result it is ideal for any celebration from the aperitif to the dessert.
