Description.

### **Macon Solutre Pouilly Domaine Romanin, France**

*Chablis-esque in style with a brilliant clean, citrusy quality and creamy texture.*

### **Picpoul de Pinet**

*The height of trendyness, and justifiably so. Picpoul is the grape and Pinet is the village near Beziers in the South of France. Textural, dry and mouthwateringly tasty.*

---

### **Pinot Grigio Ancora, Italy**

*Crisp, delicate, soft peach, zingy lemon zest and superbly clean*

### **St Martin Pinot Noir, France**

*Cheery, cherry-fruited, juicy little red that verily birtles down your throat without a backward glance...*

### **Rioja Vega Limited Edition Tempranillo, Spain**

*Really excellent wine indeed, complex and super smooth, with red fruits, liquorice and subtle hints of toast, spices and cinnamon.*

### **Barbera D'Asti Crocera, Italy**

*Full bodied, ripe and ultra soft with sweet dark fruit and a hit of the classic bitter cherry.*
