Manufacturer [TERRA SANTA COFFEE](#)

~~Description~~  
Description: Arabica Beans from Terra Santa, a single estate in Brazil. Specially roasted for us. We whittled down loads of samples to get to this coffee. It is very dark, very intense, very aromatic, very flavoursome. All in all a "very" good coffee. This is the link to the estate the beans are grown in [www.terrasantacoffee.com/english](http://www.terrasantacoffee.com/english) Don't be put off by how "good value" it is. It is exceptional stuff.
