[Description](#) [Tasting of the Sauvignon June 2020](#)

[Allan Scott](#) has been around since the beginning of viticulture in Marlborough, physically helping plant the first vines in the region. A true family affair, Allan and wife Catherine oversee every aspect of the venture. Son Josh is the winemaker, while daughters Sara and Victoria are, respectively, viticulturist and marketing manager.

We have now got a really super price on this fabulous wine, you MUST try some!
