Top tips for choosing your wedding wines

How much will you need??? This is obviously a tricky question to answer (which is why we offer sale or return on up to 1/3 of your purchase). The more guests you have, the more things even out but generally we recommend:

1/2 bottle of fizz per person (1 glass for both the reception and the toast plus a top up).

1/2 bottle per person of still wine for the sit down meal with slightly more white than red.
