

# Just a few wine things to think about for the big day...

## Advice

Great Grog has vast experience of wedding supply. We try to ask as many questions as possible so that we can offer a bespoke service. All weddings are unique.

## Range

We have a huge range of 500+ wines, from the very humble to the very fine, to fit any budget. Most importantly, we offer the best possible value whatever your budget. We also sell a large range of beers & spirits.

## Samples

You are welcome to come to the warehouse or the shops for a chat and for a private tasting up to 6 wines FOR FREE (for weddings of around 80 people or more).

We can also send some samples to your home address if you prefer. We would charge you for these and refund you off your wedding order. Roughly, we offer free samples to a value of 3% of any order placed.

We also hold lots of tastings through the year that you would be welcome to attend free of charge. We have 2 wine fairs every year where we open 100+ wines.

## Prices

Prices will include a 10% wedding discount. If looking at our website, please deduct 10%. So, for example a £10 Sauvignon on the web would be discounted to £9. We can send a “suggested quantities” quote to help you see a guide to total costs if you would find that helpful. All prices include V.A.T.

## Quantities

An average wedding party drinks roughly 3/4 of a bottle of still wine per head, of which 2/3 is white & 1/3 is red. So, for 100 people you would need roughly 50 bottles of white & 25 bottles of red.

## PLUS

“**Reception**” sparkling wine of 2 glasses each & one more glass later for the **toast** = 1/2 a bottle per head = 50 bottles. Flutes for sparkling wine are smaller, hence are worked out at 6 glasses per bottle. Normal wine glasses work on 5 glasses per bottle.

## Food vs. Wine

We love to advise on wine & food matching if you have a menu in mind.
